CODE OF ETHICS

Honesty and Integrity: Entrance Automation Systems serves its customers and treats its subcontractors and suppliers with honesty and integrity

Competition: Entrance Automatic Systems competes fairly for projects, avoiding any practice that might be construed to be in violation of the spirit of unfair business practice legislation.

Qualifications: Entrance Automatic Systems seeks to perform contracts for projects for which the firm has the technical competence and experience. The firm assigns staff to projects in accordance with their qualifications and commensurate with the services to be provided under the project.

Standards of Practice: Entrance Automatic Systems provides material and services in a manner consistent with established and accepted standards of the construction industry and within the laws that govern it. The firm performs its services with competence, reasonable care and diligence.

Conflicts of Interest: Entrance Automatic Systems endeavors to avoid conflicts, both corporate and individual.

Safety: Entrance Automatic Systems assures that the safety of its employees, the employees of others on the job site and the general public at large is given considerable consideration. The firm will strive to provide its employees with the proper training and education required to meet the goals of a safe workplace.

Environment: Entrance Automatic Systems will endeavor to promote sustainable building practices and environmental considerations in its operations and in the services it provides to its clients.

Service Providers and Suppliers: Entrance Automatic Systems treats its service providers and suppliers in an equitable manner. The firm provides clear direction and prompt payment for service provided.

Employees: Entrance Automatic Systems complies with the letter of the laws relating to working conditions. The firm does not knowingly violate any law or regulation dealing with employment standards. The firm is committed to providing its employees with a work environment free of harassment and discrimination.

Financial Disclosure: Entrance Automatic Systems strives to ensure that all financial information provided to the requisite parties is an accurate and true representation of the firm's financial status.
